

Mahesh Tirupattur
Executive Vice President
Analog Bits

Mahesh Tirupattur is the Executive Vice President at Analog Bits responsible for business partnerships, IP licensing, and joint venture development with semiconductor manufacturers, fabless ASIC companies and system houses. In this role he has helped lead Analog Bits to its position as the leader in integrated timing and interface IP.

Prior to Analog Bits, Mr. Tirupattur held positions as Vice President of Sales, and Director of Product Marketing at leading IP library companies where he managed worldwide sales operations and partnership programs. He also has experience as a Field Applications Manager and has held a technical staff position with a leading computer company.

Mahesh earned his BSEE from PSG College of Technology in India, his MSEE from Arizona State and holds a business degree from the University of California, Berkeley.
